 Dynamics Payments powered by payroc

Dynamics Payments LLC is a registered Independent Sales Organization (ISO) of Wells Fargo Bank, N.A., Concord, CA, and Oriental Bank, San Juan, Puerto Rico. The Clover name and logo are owned by Clover Network, Inc. a wholly owned subsidiary of First Data corporation, and are registered or used in the U.S. and many foreign countries.

# Customer Engagement for Salons

Make a spa day even more relaxing with Clover Customer Engagement. The Clover mobile app automatically checks customers in and lets you know when they arrive. And autopay keeps freshly coated nails out of purses and damage-free.

## Streamline your operations

Reduce the time your employees spend on business administration and avoid errors due to manual data entry. Get access to current historical transactional information in real time of all payment methods registered from any computer, at any time or day (24/7/365).

## Diligence, safety and trust

Comply with the requirements of the Department of the Treasury while your customer's information is protected by our certified solutions in compliance with PCI DSS.

## Fraud and security monitoring

Your customers' payment details will always be protected by the most up-to-date and reliable payment security, including EMV, PCI Validated Point-to-Point Encryption (P2PE), and tokenization.

## Local Technical Support

Local support at the time of installation and technical support throughout your life as a customer.
